Part II:

We hereby acknowledge that the authorization granted is subject to the compliance with applicable Commission numbering rules, numbering authority delegated to the states, and, industry guidelines and practices regarding numbering as applicable to telecommunications carriers.

Part III:

We further acknowledge that we must file requests for numbers with the relevant state commission(s) at least thirty (30) days before requesting numbers from the Numbering Administrators.

Part IV:

We have been in business since 2007 and have a long history of providing telecommunications services including voice termination, toll free origination and DID origination. We currently provide these services with DIDs obtained from various carriers and have the equipment and processes already in place. We are capable of providing service within (60) days of the numbering resources activation date.

Part V:

Backbone Communications does comply with the USF contribution obligations and our Filer ID is 891568. We also comply with the TRS contribution obligations, the North American Numbering Plan and Local Number Portability Administration contribution obligations and our 911 obligations.

Part VI:

We are a solid company and have been providing telecommunication services for the past 19 years. We do have the financial, managerial and technical expertise to provide reliable service. None of our personnel are being or have been investigated by the FCC or any law enforcement or regulatory agency for failure to comply with any law, rule or order.

CTO: Robert Bral
COO: Lisa Derme
CFO: Joel Buenviaje

Part VII:

We hereby certify that no party to this application is subject to the denial of Federal benefits pursuant to Section 5301 of the Anti-Drug Abuse Act of 1988.
